# EXTENDED MID-YEAR PROGRAM BRIDGES GAPS

As we finish the First Term of the school year, SSIS offers the Extended Mid- Year (EMY) on November to students who need intervention and assistance.

The Extended Midyear Program aims to assist students who have failed to meet the basic requirements for the First Term of the school year by bridging the gaps through intensive review and assessment during the mid year. Below are the guidelines for this program:

1. A student who obtained the grade of Low Average (LA) and Poor (P) for the first term is required to attend the Mid Year classes for one whole week during the mid-year break.
2. For core subjects, there will be an intensive lecture and review everyday following the number of hours:
 

Grades 1-2	1 Hour
Grades 3-6	1.5 Hours
Grades 7-10	1.5 Hours

To assess the student's learning, a **removal exam** will be conducted on the last day. Passing grade is Average (A) Is equivalent to 80%.
3. For non-core subjects, there will be a project/undertaking assigned. A student must render one (1) hour in school for project- making. The development of the project will be strictly monitored by the subject teacher. The project will have to be finished and submitted on the day of the program.
4. A student who fails to pass the removal exam in the core subjects, and/or fails to comply with the requirements/projects for the non-core subjects will be required to attend the **Extended Year-End (EYE) Program**. If he/she would still receive a **year-end average of LA**. On the other hand, if the student obtains a **year-end average of P**, he/she will be required to attend the **Summer Classes**.
5. Students of EMY and EYE will no longer be qualified to be in the Honor's List for the Term and Year-End.

## Children's Day Mufti on Nov 14

Join us in our November Mufti Day as we celebrate our children! The theme of this month's Mufti Day (to happen on November 14, Wednesday) is **Children's Day**.

Every year, the Children's Day is celebrated on the 20th of November to promote international togetherness, awareness among children worldwide, and improving their welfare. This is a day that is all about the importance of children and how they have special rights and freedom that will help them grow into happy, healthy adults.

A fee of P10 will be collected from students who will wear attire related to the theme and P20 for those who will not follow the theme. SSIS students in complete uniform do not have to pay any fee. Funds will go to the Student Council Fund.

Everyone is reminded that although casual wear is allowed, decent dress code for students is always expected. Let us support this worthy project; at the same time, maintain decency and academic atmosphere in SSIS!
