— SSFO slated on december 17 —

Stonyhurst Southville International School – Malarayat Campus is set to hold the annual Stonyhurst Southville for Others (SSFO) Christmas Outreach Program on December 17, 2018. The SSFO is an activity designed for the SSIS family to extend services to the community and embody the spirit of sharing especially during Christmas.

For this year's SSFO, Grade 1 students from Dagatan Elementary School will be invited to SSIS to participate in the program organized by the Student Council, together with students from the Junior and Senior High School departments. A simple party with games and gift-giving will be organized for them. All students will be able to make each beneficiary happy through small contributions, thus, each student will be asked to bring an assigned donation and they are as follows:

for NURSERY, PRE-KINDER, SENIOR KINDER, GRADES 1 & 2

1 pc 165g Eden cheese
1 can 210g Purefoods corned beef
2 kilos rice

for JUNIOR KINDER, GRADES 3, 4, 5 & 6

1 pc 100g Nescafe Classic
1 pc 250g Coffee Mate original
1 kilo white sugar
1 pc 220g Milo

for GRADES 7 to 12

BEST Reflections OF THE WEEK

Congratulations to the following students for having the Best Values Reflections of the Week.
Keep it up, Kings!

"I want to discover things for myself to become self – sufficient and confident to trust my own feelings."

- **Juls Jared Provido**, 1 Germany

"Loving to learn takes time. When things get hard, take time to work on it. Studying makes things easier and helps you achieve."

- **Chen Yu-yen**, 2 Finland

"When lessons become difficult, I won't quit because it's part of life, to learn and experience challenges."

- **Seth Edric Casipit**, 3 Thailand

"When lessons become difficult, I will study hard and try my best until I get the lesson. It is growth mindset and grit if I try and try until I succeed."

- **Christina Nazareno**, 3 India

"Challenges in learning make a person independent than they already are because accepting challenges in learning is also accepting risks in learning and personal issues. The more we accept it, the more independent we become."

- **Arabella Louise Del Mundo**, 6 Russia

"Challenges help us in learning from the mistakes we did from the start until the end, and as we learn, we would do the same mistakes but use them in the right way at the right time."

- **Josiah Joseph Castillo**, 8 Bahamas

"Imagine you're the sun and the rainclouds and rain are the obstacles and challenges, you wish to make a rainbow. It's only when the sun pierces the rainclouds when a rainbow is created. If the rainclouds weren't there in the first place, no rainbow could be created, and if the sun doesn't shine bright enough, it can't break through the clouds and create a rainbow. If it wasn't obvious enough already, the rainbow is your goal and your newfound challenge."

- **Nathan Benedict Sandel**, 10 Peru

"If I persevere, I will accomplish my dream of being someone I'm proud of. Everyone can be a lawyer, a doctor, an engineer, and so much more. But being someone we're proud of is not an easy task, a very rewarding aspect in our life, and it can only be achieved if we work hard and persevere. And I would love nothing more than persevere to succeed."

- **Stephanie Anne Castillo**, 11 Egypt

Come to the Christmas Night Bazaar

You are all invited to come and visit the Christmas Night Bazaar on December 14! This is one of our ways of celebrating Christmas, thus, we are inviting parents to participate and bring their friends as this is an open house celebration.

Aside from stores and merchandises that the students will sell, selected business establishments will also be part of the bazaar. The event will also showcase presentations from preschool to Grade 4, including the Nativity Play.

The Christmas Night Bazaar provides an opportunity for students to apply concepts, knowledge, and skills they have learned in their Business and Mathematics subjects. Beat the Christmas rush and start your holiday shopping while supporting our future entrepreneurs!
