BEST Reflections OF THE WEEK

Congratulations to the following students for having the Best Values Reflections of the Week.
Keep it up, Kings!

"When I am frustrated, I calm myself down, take a deep breath and do something that will make me happy."
- **Betina Camacho**, 1 Greece

"I avoid raising my voice, instead, I raise love. Raising your voice makes people angry so bring love and care instead."
- **Casey Yohan Resuello**, 1 Germany

"Treat everyone with respect. It is not expected to like everyone, but it is expected to respect everyone. Everyone deserves to receive the same amount of respect. Treating everyone with respect is a win-win situation; it can make both parties feel good about themselves."
- **Eliza Marie Sell**, 9 Argentina
