## GRADE 10 CGS SLATED ON SEPT 6-7

Stonyhurst Southville International School –Malarayat Campus will hold the Comprehensive Growth Series (CGS) for Grade 10 on September 6-7, 2018, at Capuchin Retreat House, Brgy. San Sebastian, Lipa City, Batangas.

This year's Grade 10 CGS will bear the theme "AWL: Accelerate Without Limits." Several talks and workshops will be facilitated to help our students (1) recognize their strengths; (2) appreciate leadership; (3) enhance their choices and decision-making; and (4) realize the importance of motivation in success.

CGS is an annual activity for the High School students organized to develop student character. After the CGS, we hope that our Grade 10 students will be more confident in showing and developing their potentials and be more inspired to lead themselves and other people to betterment.

## NEW TRAFFIC FLOW TO BE IMPLEMENTED

Please be informed that next week (September 3-7, 2018), we will change the gate assignments for entrance and exit of cars. We are trying out a new traffic scheme with the goal of managing better the queue of cars coming inside the campus particularly in the morning and dismissal hours, using the **2nd gate (previously exit gate) as ENTRANCE** so that the flow/route of traffic is longer from the gate until the drop-off area, which, on the other hand, will hopefully shorten the traffic outside in the main road. This will also give you a good option of parking first so that you may walk with your child going to the lobby. We hope for your full cooperation. Our security team will surely assist you. Thank you. *(Please see last page for the traffic flow)*

## STONYHURST ENCOURAGES Parent Involvement

SSIS Malarayat, through the initiative of the Guidance Office, organizes an activity that helps our high school students choose the career choice that they like. Aside from career counselling, university recruitment, and campus tours, we also have **CAREER EXPLORATION** and **CHIEF EXECUTIVE OFFICER (CEO) FORUM**. This is participated by students from Grades 9-12. Through this, the students are given the opportunity to be inspired and informed through the talk of the invited speaker. They are also given a chance to ask questions about the talk or their career paths in the future.

In line with this, we would like to invite parents who are willing to inspire our students by sharing their experiences and knowledge in their field. Through this, we will not only be successful in inspiring our students, but also we can strengthen the partnership and collaboration of parents and the school with one goal, which is to bring out the best in our students.

If you are willing to be part of these activities, please fill out the reply slip on page 3.

## SCHOOL HOLDS DENTAL EXAM

Stonyhurst Southville International School will hold a Dental Check- Up on **September 4-5, 2018** from 8:00 AM to 4:30 PM. Dental exams give your child's dentist a chance to provide tips on caring for your child's teeth, as well as detect any problems early — when they are most treatable. The dental exam will be facilitated by Dr. Pauleen Joy De Luna-Soriano and Ms. Leah Ilagan, School Nurse.

## VILLAINS MUFTI ON SEPTEMBER 5

**Join the Villains Mufti on September 5!** Students can come as Maleficent, Captain Hook, Cruella de Vil, or why not The Evil Queen! For this month's Mufti Day, we will give life to all the popular villains in movies and comic series. Villains are antagonists or sometimes protagonists who play important parts in movies and comics as they give the "twists," the "thrill," and sometimes, the fun!

A fee of P10 will be collected from students who will wear attire related to the theme and P20 for those who will not follow the theme. SSIS students in complete uniform do not have to pay any fee. Funds will go to the Student Council Fund.

Once again, everyone is reminded that although casual wear is allowed, decent dress code for students is always expected. This means students cannot wear slippers nor sandals, no sleeveless, spaghetti-strapped blouses, tight tank tops, low-back, plunging necklines, see-through clothing, mini-skirts, shorts or sandos. Let us support this worthy project; at the same time, maintain decency and academic atmosphere in SSIS
